Biz Books **AND** Breakfast

presented by

COMPASS POINT CONSULTING

Everyone has that pile of books. You know, the ones you plan to read when you have time - yes, we have them, too.

Join our Business Breakfast Series, where you will meet other business executives who are also reading the featured book. You'll benefit from a roundtable discussion and learn some practical tools for your business.

It's easy to get started: Buy the book, start reading and RSVP today!

About the book

Drawing on her own powerful story as the daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth, now a celebrated researcher and professor, describes her early eye-opening stints in teaching, business consulting, and neuroscience, which led to the hypothesis that what really drives success is not "genius" but a unique combination of passion and long-term perseverance.
