

# SIX PILLARS OF YOUR FAMILY BUSINESS LEADERSHIP PILLAR PROGRAMS

## CEO Mastery Coaching

Strategic coaching for CEOs focused on leadership capacity, complex decision-making, and aligning business and family priorities.

## Self-Mastery Leadership Lab

A 10-month cohort building self-awareness, resilience, and accountability through peer coaching and experiential learning.

## Executive Coaching

One-on-one coaching for senior leaders to build clarity, energy, accountability, and influence across the organization.

## High-Performance Coaching

A 12-month journey for high-potential employees to develop the mindset, skills, and confidence needed to drive business growth.

## NextGen Leadership

Coaching for family members to grow core leadership skills, strengthen presence, and prepare for greater responsibility.

## Custom Programs

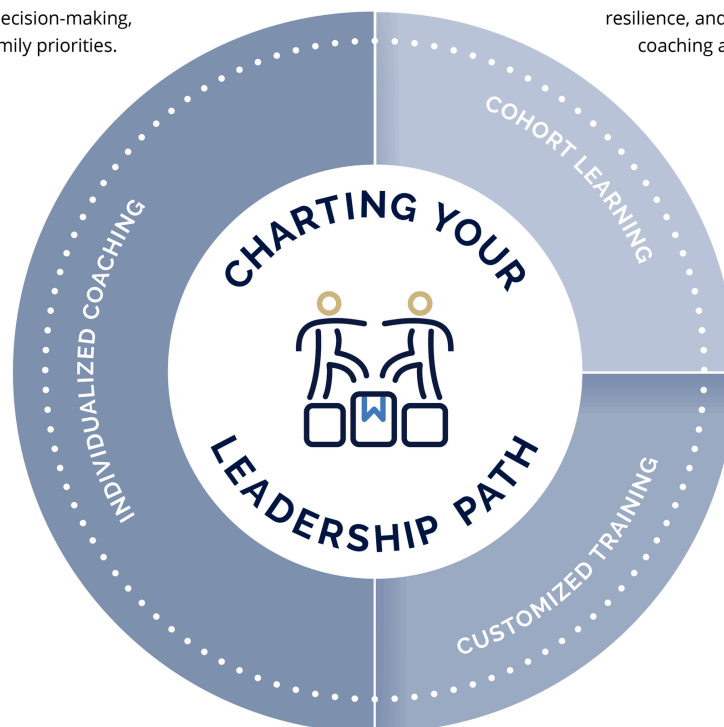

Multi-faceted development solutions built around your business's leadership needs, company culture, and strategic goals.

## Managerial Masterclass

A 2-day intensive that sharpens EQ, delegation, feedback, and decision-making to elevate managerial confidence and impact.

## Tailored Team Workshops

Concentrated 1-day sessions focused on a key leadership principle that improves team cohesiveness in real-time.

“Your company cannot outgrow its leadership.”

~ TOM GARRITY
